- ☐ Compare at least three similar listings
- ☐ Ask for the VIN, mileage, and available vehicle history
- ☐ Check the estimated insurance cost

2

DURING THE INSPECTION

- ☐ Inspect the bodywork in daylight
- ☐ Check tire wear and the visible condition of the brakes
- ☐ Check fluid levels, look for leaks, and inspect the warning lights
- ☐ Test every important feature
- ☐ Compare the interior wear with the declared mileage

3

DURING THE TEST DRIVE

- ☐ Test the cold start whenever possible
- ☐ Check the steering, brakes, and transmission
- ☐ Listen for unusual noises with the radio turned off
- ☐ Inspect the vehicle again once it has reached operating temperature

4

BEFORE PAYMENT

- ☐ Verify the documents and confirm that the VIN matches
- ☐ Read the contract or invoice before signing
- ☐ Get all agreements in writing
- ☐ Confirm insurance and registration
- ☐ Keep copies of all documents
